| What's in Your Trash Can?  |             |  |
|--|-------------|--|
| Identify what kinds of garbage you are throwing away and how much you generate over the period of <b>one week</b> . Place a tally mark in the appropriate box for each item placed in the garbage. Then, list ways that they could be replaced with reusable items, reused, or recycled. |             |  |
|  | Trash Tally | How can it be replaced, reused, or recycled? |
| Paper    |             |  |
